DNS Recon

In this section, the information associated with the domain is reported.

MX Records:

MX Host: 10 mail.lossantosdemaimona.com
Email Provider: LOADING, ES

NS Records:

NS Server: mundored2.servidoresdominios.com (Provider: LOADING, ES, Located in: Spain)
NS Server: mundored1.servidoresdominios.com (Provider: LOADING, ES, Located in: Spain)

DMARC Record Info:

The DMARC record is not public. This implies that there is no valid DMARC record found for this domain, which could potentially allow email spoofing (the practice of forging email headers to appear as if sent from a trusted domain). It is recommended to configure a public DMARC record to enhance email security.
